

Presidents meeting on 26.2.2015

Start: 21:56

End: 23:15

Attendees: Alexander, Moein, Aiperi, Polina, Amir, Christoph, Santhosh, Adam

Guests: Kai, Paul

Scribe: Amir

1. Incident in the dormitory

Reported by Kai, he was threatened by Victor. Victor also assaulted two other residents (David and Ewald), David was punched by him in the face and was injured. The incident is already reported to the Police, but as David was leaving the Germany on the next day, he could not follow the issue.

Because of this incident, several residents found him a threat in the dormitory and asked the Presidium to make a decision on his presence in the dormitory.

7 out of 8 members found his presence in the dormitory a threat and to avoid later incidents, voted that he should not stay in the dormitory anymore.

2. Car Crash

There was a car accident in the front of the dormitory. Moein explained that the car crash is out of the presidium responsibility and mentioned that the Hausmeister, Valizadeh, is addressing the issue.

3. Sofa

Paul had a Sofa and two Armchairs in the University and donated them to the dormitory. Moein already brought the Sofa with the help of Thomas to the dormitory and said he will try to bring the Armchairs as well.

4. Internet Connection

Moein explained the current local network problem of dormitory and informed the Presidium that the new cables would be bought and delivered to him by Studentenwerk. The expense of buying network cables is covered by Studentenwerk.

5. Wash coin requests on Guckelsberg Family Facebook Group

Adam brought up the problem of wash coins, that people are asking for wash coins on the Guckelsberg Family Facebook group. He claimed that this would make lot of notification for everyone, preventing people from getting the important news. The whole Presidium decided that they are either not going to answer any Facebook requests public on the Guckelsberg family or ask them to go to the floor managers for the stuff which floor managers provide (iron, ironing board, washing coins, vacuum cleaner, etc.”.

6. Welcome Party

Presidium decided on 17th of April at 8:00 as the time of Welcome Party and also going to inform other dormitories.

7. Video to promote the dormitory and to show how to use the washing machines

Santhosh suggested that we should create a video on how to use the washing machines, he was also thinking of making another video to promote the dormitory. He himself decided to take care of it and presidium agreed. Adam also volunteered to help him.

8. New cash keeper

Aiperi informed the Presidium that she is leaving the dormitory by end of March. Alexander volunteered to take her position, 7 out of 7 presidium members voted in his favor. Alexander is elected as the new cash-keeper (Kassenwart) from the first of April.
